The Reverend John J. Lloyd, Rector
Episcopal Church
58 River Street
Carbondale, PA 18407.

Dear Reverend Lloyd:

Thank you very much for having caused the bell in the tower of the Episcopal Church to ring at 7:05 P.M. on December 17th. I understand that it was Bill Schroeder who actually rang the bell. Our sincere thanks to both of you.

The Committee to Restore Carbondale City Hall is very encouraged that we will succeed in accomplishing our goals with reference to Carbondale City Hall. Those goals are stated in the text that was read on the 17th at Carbondale City Hall (a copy of that text is herein enclosed).

For having done your part to commemorate the launching of the fund raising campaign to restore Carbondale City Hall, we thank you.

Sincerely yours,

S. Robert Powell
